Applicant: Goodrich Petroleum Corporation

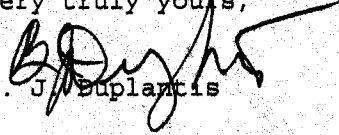

Dear Mr. Aldridge:

Attached to this letter is a plat which shows the lease which will expire on September 24, 2003.

We have finalized the geology relative to the subject sand and portions of the expiring lease will be included in our proposed unit. Therefore, in order to unitize the subject sand prior to the expiration date of the lease, we respectfully request waiver of the pre-application notice required in Rule 3 of the Rules of Procedure for Conducting Hearings Before the Commissioner of Conservation in connection with this matter.

Please be assured that, if a waiver of the pre-application notice requirement is granted, we will fully comply with Rule 8 of the Rules of Procedure for Conducting Hearings Before the Commissioner of Conservation.

Very truly yours,

B. J. Duplantis
